CAMPUS COMPACT ELECTS ROBIN LYNN GRINNELL TO MISSION ACHIEVING COMMITTEE

Committee is key advisory of Campus Compact's National Strategy for Civic Engagement

LANSING, Michigan – Michigan Nonprofit Association (MNA), a state-wide association serving the nonprofit sector, today announced that Robin Lynn Grinnell, Executive Director of Michigan Campus Compact, has been elected by her peer directors of the National Campus Compact to serve on the Mission Achieving Committee.

Michigan Campus Compact is a national coalition that was established in 1985 by a group of college and university presidents. It aims to create public service opportunities for college students and to develop an expectation of service as an essential part of student life and the college experience.

The committee will propose action for establishing national partnerships, promoting a research agenda, determining participation in civic engagement conferences and the biannual President's Leadership Summit among other approaches for elevating the field.

"I look forward to serving in this role, helping to integrate and align programming and thought leadership across the national network," said Robin Lynn Grinnell, Executive Director of Michigan Campus Compact.

"Robin's leadership in Michigan is exemplary," said Donna Murray-Brown, MNA President & CEO. "We are very proud that MNA's commitment to civic engagement will receive a national platform."
