STATE FARM & THE LEAGUE MICHIGAN SPONSOR TEACHER TRAINING

State Rep. Frank Foster Applauds Eastern Upper Peninsula Intermediate School District for hosting Fisher Training Service-Learning Academy

SAULT STE. MARIE, Michigan – The LEAGUE Michigan, a program of the Michigan Nonprofit Association, today announced that they are partnering with the Eastern Upper Peninsula Intermediate School District (EUP ISD) to host the Fisher Training Service-Learning Academy. The training, sponsored by State Farm Insurance, teaches educators how to successfully implement service, service-learning, and philanthropy education into their classroom. The training will take place on June 9th-13th. “Service-learning involves students in activities that directly benefit the community,” said Nellie Tsai, Director of the LEAGUE Michigan. “It teaches kids how to give back while applying classroom concepts in a real-world setting.”
