LEON WILSON, MICHIGAN NONPROFIT ASSOCIATION SENIOR DIRECTOR OF TECHNOLOGY AND DATA ENGAGEMENT TO SPEAK AT TDGCONNECT

Presentation to Focus on Board IT Understanding

LANSING, Michigan – Michigan Nonprofit Association (MNA), a state-wide association serving the nonprofit sector, today announced that Leon Wilson, Senior Director, Technology and Data Engagement, has been invited to speak at an event for nonprofits hosted by TDGConnect.

The event is scheduled for June 26, from 1:30 p.m. to 3:00 p.m., in Muskegon, Michigan at MAREC Building. Wilson will speak on technology leadership in the nonprofit sector. This event is open to the public.

“In our rapidly changing information age, a strategic understanding of technology is critical,” said Leon Wilson, Senior Director of Technology and Data Engagement. “Board members need to know how to value technology and view it as a strategic enabler to build capacity and ensure their nonprofits achieve their missions.”

About Michigan Nonprofit Association (MNA)

Incorporated in 1990, MNA is a statewide membership organization dedicated to serving the diverse nonprofit sector through civic engagement, capacity-building, data and technology, training, and advocacy. MNA manages multiple programs and affiliates including [Data Driven Detroit](#), [Highway T](#), [The LEAGUE Michigan](#), [Michigan Campus Compact](#) and [Volunteer Centers of Michigan](#), and AmeriCorps and VISTA.
