Michigan Campus Compact Hosts Chinese Delegation

Educators and Students from Hong Kong's Lingnan University to Discuss Service-Learning

Lansing, MI – Michigan Campus Compact, an affiliate of Michigan Nonprofit Association, hosted a 17-member delegation from Lingnan University of Hong Kong. The group met at the Marshall Street Armory in Lansing for a presentation by representatives of Michigan Campus Compact and Marygrove College, concluding with a networking lunch. Lingnan's 10-day Michigan trip focused on liberal arts education, exploring the implementation of service-learning into an academic curriculum.

"We are fortunate to have been given the opportunity to collaborate with the delegates from Lingnan University," said Robin Lynn Grinnell, Executive Director of Michigan Campus Compact. "Service-learning and civic engagement are key components in the education of today's youth – here in the U.S and all over the world."
