MICHIGAN NONPROFIT ASSOCIATION SENIOR DIRECTOR OF TECHNOLOGY AND DATA ENGAGEMENT TO PARTICIPATE IN LEADERSHIP DETROIT CLASS

Leaders Selected to Bring Positive Change to Detroit Region

LANSING, Michigan – Michigan Nonprofit Association (MNA), a state-wide association serving the nonprofit sector, today announced that Leon Wilson, Senior Director of Technology and Data Engagement, has been chosen to participate in Leadership Detroit's Class XXXVI.

Leadership Detroit is a 10-month community leadership program for executives in Southeast Michigan, led by the Detroit Regional Chamber. Its purpose is to create awareness of issues that affect Detroit and address them by challenging regional leaders to generate positive change in the community.

"Leon has a proven track record as a strong leader," said Donna Murray-Brown, MNA President and CEO. "He will be a significant addition to this year's cohort."

"I am honored to have been chosen for Leadership Detroit's current class," said Leon Wilson, Senior Director of Technology and Data Engagement. "I look forward to joining fellow leaders in bringing about positive changes to the communities of Detroit."

About MNA

Incorporated in 1990, MNA is a statewide membership organization dedicated to serving the diverse nonprofit sector through civic engagement, capacity-building, data and technology, training, and advocacy. MNA manages multiple programs and affiliates including [Data Driven Detroit](#), [Highway T](#), [The LEAGUE Michigan](#), [Michigan Campus Compact](#), [Volunteer Centers of Michigan](#), and AmeriCorps and VISTA.
