MEDIA ADVISORY: LEARN ABOUT SUCCESSFUL WORKPLACE DIVERSITY AND INCLUSION STRATEGIES

Inclusive nonprofit workplace strategies will be the subject of a conference on Wednesday, June. 3.

The event will take place from 8:30 AM to 4:00 PM at the McGregor Memorial Conference Center in Detroit, Michigan.

As tax-exempt organizations, recruiting and retaining talented staff directly impacts nonprofits' missions and their ability to generate enough revenue to continue those missions. This 'bottom-line' for nonprofits is crucial and in today's changing environment, organizations that are able to adapt by using diversity and inclusion as a staffing strategy will be most successful.

Inclusive Nonprofit Workplaces event will include:

- A presentation by keynote speaker [Dr. Steve L. Robbins](#).
- Panel discussions on building successful teams – moderated by [Stephen Henderson](#) (2014 Pulitzer prize winner, Detroit Free Press).
- A panel discussion on developing an inclusive workplace – moderated by local nonprofit experts.
