MICHIGAN NONPROFIT ASSOCIATION SUPPORTS PROPOSAL 1

Board of Directors Votes to Support the May 5 Road Funding Ballot Proposal

LANSING, Michigan – Michigan Nonprofit Association (MNA), a state-wide association serving the nonprofit sector, today announced its support of the May 5 road funding ballot proposal and will encourage its members to vote yes.

“This proposal is a bipartisan compromise that will make Michigan’s roads safer. It increases financial support for transportation while not harming schools, cities, and other important environmental priorities,” said Donna Murray-Brown, President and CEO of MNA. “If it fails, all of these priorities that are important to the nonprofit sector will be put at risk.”
